Co-Publisher of The Q

As we go into 2023, big changes are happening at The Q. We have new owners! Angie & Derrick Huffman, Osage, are taking over the production & publication. They are also owners of Big Horn Advertising, which produces online business directories. An online presence is what was needed for The Q. All ads will now have a QR code that will take readers to an online business directory. A great up-to-date addition! The Q will continue to be distributed throughout 15 counties in north Iowa & southern Minnesota. Gene & I will also continue to be involved on a limited basis for the near future. We thank everyone for allowing us to spread the word about your business & wish Angie & Derrick the best in their new business venture.
